Release of the second issue of ICESCO Journal of the Arabic Language

Rabat: 31/12/2024

The Islamic World Educational, Scientific and Cultural Organization (ICESCO) has released the second issue of its Journal of the Arabic Language”, a peer-reviewed scientific journal supervised by the ICESCO Center of Arabic for Non-Arabic Speakers. The Journal is part of the attention the Organization pays to the Arabic language to promote its global position in educational, scientific and cultural exchange.

The new issue includes ten research papers by experts and specialists from several Arab and Islamic countries, namely Libya, Morocco, Jordan, Syria, Iraq, Qatar, Egypt, Turkey and Malaysia. Its varied themes reflect the complementarity of exact knowledge belonging to diverse scientific disciplines that aim to highlight the identity of the researchers and their research creativity in the Arabic language, literature and sciences.

This issue of the Journal can be viewed and downloaded via the following link:

<https://icesco.org/ydfu> .

It is worth noting that the Journal is issued in June and December of each year, and always invites researchers concerned with the Arabic language, to send their serious studies for peer-reviewing and publishing in its upcoming issues, by registering on the Journal’s website at the following link: <https://icesco.org/uyop>
